Hello GISPS Members!

I hope this monthly letter finds you all well. Last month we had our **Co-Op Charting event**. Many thanks to **John & Pat Rodgers** for leading the event. Afterwards, **Skip & Mary Roeder** organized our first **social event / cook-out** to which all GISPS and the Golden Isles Marina members were invited. I was unable to make it due to a nasty stomach bug, but I'm looking forward to this month's gathering. It will be at the **Jekyll Harbor**

**Marina on July 19th** at 1500. Lynne Barron is the chairperson but she will need volunteers. Please contact her at [lynnebarron13@gmail.com](mailto:lynnebarron13@gmail.com). Hamburgers, hotdogs, and various non-alcoholic drinks will be offered. We ask that everyone bring a side-dish to share.

Come on out and have some fun!

Treasurer's Report  
Teresa Wilsdorf, S Treasurer

GISPS currently has \$6,834.00 in the bank as of 06/30/14.

Some of our members will be receiving or have received an email containing their invoice for membership renewal. Please don't forget to renew. If you have any problems just give me a call and I will assist you. Every member is needed, appreciated, wanted, and encouraged to attend meetings, outings, classes, etc.

The membership committee is coming up with a lot of new ideas and I think you all will be excited about the outcome. The picnic at Golden Isle Marina after the Co-Op charting event was nice. Unfortunately, not as many members showed up as I hoped would, but those of us there had a great time. We visited with a few of the boat owners at the marina and had a good time visiting with each other. And, we lucked out and had perfect weather! We will be doing the same thing again, inviting the boat owners, at Jekyll Island Marina on July 19th. Hope to see you there!!

Administration Officer  
Emil A. Hoffman

Hello All,

I hope everyone is having a safe and great summer! We are gearing up for the **Meet and Greet at Jekyll Harbor Marina**. The date is **Saturday, July 19 at 1500**. We are starting early so anyone who wants to swim in the pool can do so.

**Lynne Barron** is chairperson for this event. Her cell # is 706-331-8270. Her e-mail is [Lynnebarron13@gmail.com](mailto:Lynnebarron13@gmail.com). If you can help her, please let her know. She has asked that we bring an appetizer or dessert and our own beverage. Lynne has also asked that anyone who can, please bring chairs. She has said the response from Jekyll boaters regarding our Meet and Greet has been positive. Scott, the manager, is cooking Bar-B-Q for the event.

I am going to turn in all boating activities this month, so if you have any additional reports, please bring them to the Jekyll Meet and Greet.

I'm looking forward to seeing you at the **Jekyll Meet and Greet**.

The JN class only has one more formal class. It's now down to sight folder completions, practice cruise, and then the open book exam. Our member students have gotten first class instruction from Coy Hodges, SN our JN point man who has spent many long hours crafting his presentations. It will be great for our squadron to have five new JN's. I think a Navigation class is in the near future.

Our Piloting point man, Jack Sterrett, SN, is in the process of soliciting students for a Piloting class beginning Aug 25 meeting each Monday evening through Sep 29 with the exception of the Labor Day Weekend.

I encourage all members who haven't taken Piloting to register for the class by calling Jack (478 232-2908) or myself (912 265-9550). Piloting will sharpen your skills in getting the most out of your GPS as well as building your knowledge of traditional DR navigation.

We are planning another ABC class for Saturdays, September 20th and 27th. Please encourage your boating friends to enroll. And, as always, please help us get the word out. Remember all boat operators born after Jan 1, 1998 must have completed a GA DNR approved safe boating course to legally operate a boat in GA.

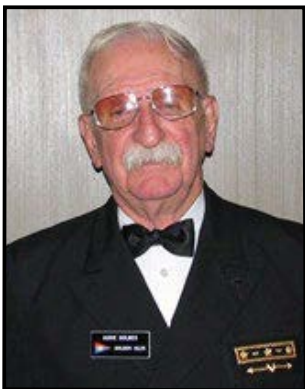

As always, please feel free to contact me should you have any request for classes or seminars that you would like to see offered.

Hope to see you all at the Jekyll Island outing.

Charles Wilsdorf, SN-ACN

Charter Commander's Report  
P/C Audie Holmes, SN

I am the New Squadron chair for District 26. We have identified two areas in Georgia that are ideal for new squadrons. I need help from anyone in Golden Isles who has any connection to either or both of the following areas:

Lake Sinclair/Lake Oconee  
Statesboro and surrounding area

Please email me with any links you may have to either area: [pharris1@gru.edu](mailto:pharris1@gru.edu)

Thank you so much for any help.  
Hope to see you on the water!

Audie Holmes, P/C
